## Crossword Guide

The cryptic crossword above is a standard cryptic crossword but also tells you (in purple) what type of clue is used to write the crossword, where A is the answer and B and C are different components of the clue.

To see what the different types of clue are, visit:

[https://www.indigoextra.com/how\\_to\\_solve\\_cryptic\\_crosswords.html](https://www.indigoextra.com/how_to_solve_cryptic_crosswords.html)

The answers are shown on the next page, however I recommend printing out the first page only and seeing if you can solve the whole crossword first. All but one or two clues don't require any general knowledge, just an understanding of how the clue works.
